Tristate: N in Soybeans

Input Name	Type	Unit	Description
OM	Soil Sample	ppm	Organic Matter

```
if ( om > = 0 and om < 2 ) then
  apply ( 2 ) ;
elseif ( om > = 2 and om < 7.2 ) then
  apply ( om * 0.333 + 1.333 ) ;
else
  apply ( 3.75 ) ;
endif
```

Output: Nitrogen

Output Unit: Pounds per acre

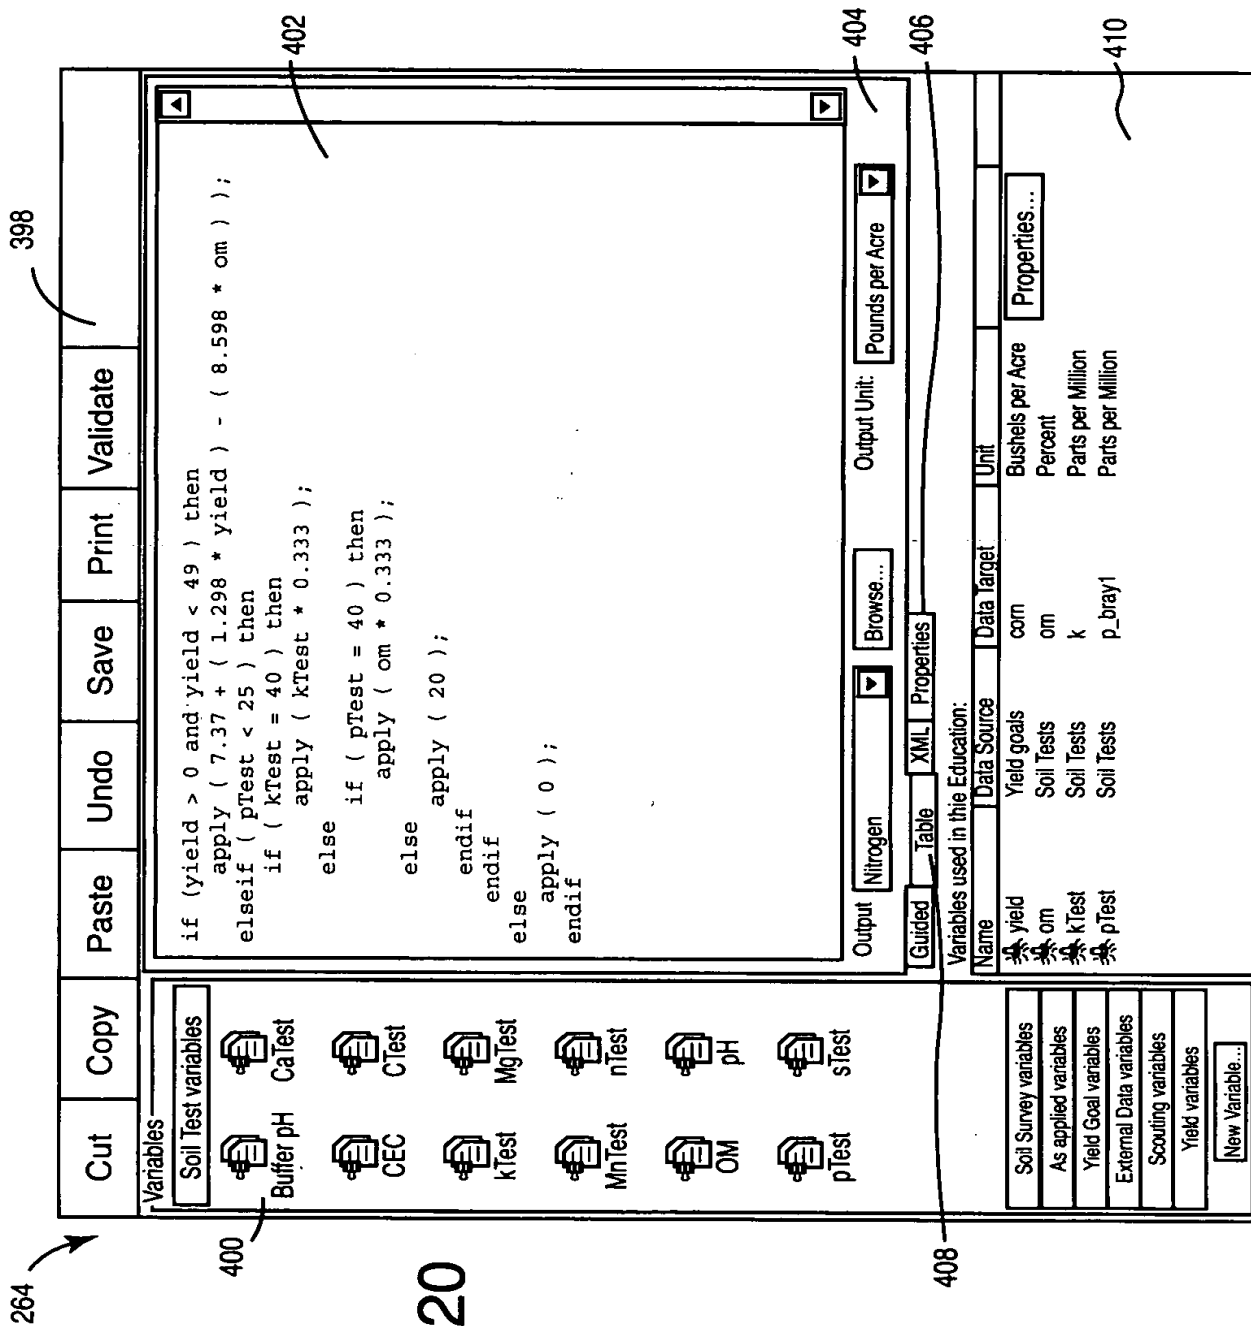

Description: Do not use this for Tundra. Instead you should use...

OK
